

Jennifer Long

Painter, Cheboygan, MI

I'm a self-taught artist and jewelry designer. I have always had a passion for art and design and my jewelry and paintings showcase my love of color. I have been working in the jewelry industry for over 20 years and have had the honor of helping others come up with original jewelry designs. I recently started to

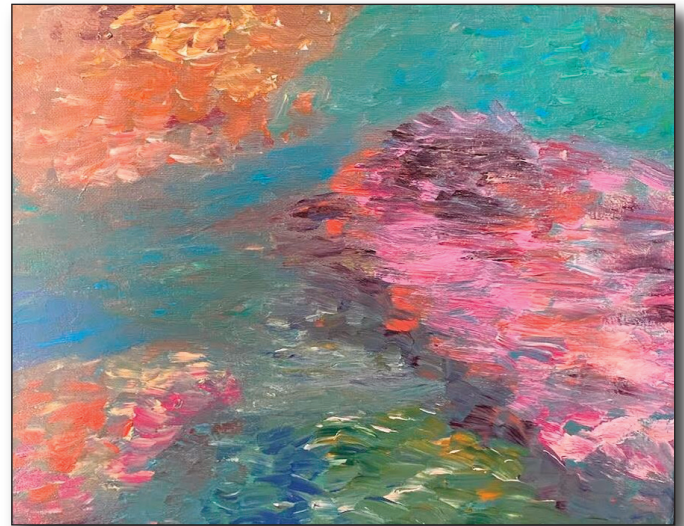

focus more on my painting. My style is a mix of beautiful, elegant, fragile, and sometimes funny nature subjects with raw backgrounds. My paintings have a mix of delicate brush strokes and bold palette knife work. I like the juxtaposition of delicate and hard, polished and rugged, graceful and wild. The name of my fine art business is LJewell Designs after my two grandmothers Lorraine Peterson and Mazie Jewell. You can see my jewelry line at www.ljewell.com

My work has been featured at Ottawa Park in Cheboygan and can also be seen at Urban Bird Clothing and Anchor in Marina.
