

Gail Passino

Painter, Levering, MI

The beauty in the world, my world, has frequently and continually stopped me throughout my life as I was in awe at the unfolding scenes. I began painting in my retirement. While painting, I feel that I have found the expression of the world that has held me in awe with its beauty.

I have studied with Joy Moon AWS, Lionel Sanchez DWS, FWS, Marilyn Westcot FWS, Jo Baugherman FWS and others. Utube provides a myriad of classes from extremely accomplished artists. Watercolor is a medium that has a translucency and fluidity that I find reflects color and hue of the natural world.

I have had shows at Thunder Bay Art in Alpena, Circle of Arts in Charlevoix, Gaylord Art Center in Gaylord, Mackinac Area Arts Council, Pellston, Three Pines Cross Village, Crooked Tree Petoskey, and Dart for Art Petoskey.
